FROM THE COMMITTEE

April Meeting

Our April Meeting featured the local National Trust Knightshayes supremo, Lewis Patterson, General Manager of the whole Knightshayes Estate, and its associated properties, Old Blundells, situated in Tiverton, and the Buzzards Woodland at Withleigh. Lewis related some of the history of Knightshayes and its architect, William Burgess, from its foundation right up to present day and the future plans for improved visitor experience. Most of the audience were obviously familiar with Knightshayes but a reminder about what Buzzards has to offer and a delightful retelling of the Old Blundells' 421-year history developed into a fascinating bonus. A lively discussion confirmed our continuing passion for these splendid properties on our doorstep, to the extent that an invitation from Lewis for us to visit Old Blundells in the near future rounded off an excellent presentation.

Thanks to Lewis and the National Trust. *Mike W*

Message from Oxford University student

I am currently leading a research project at the University of Oxford that may be of interest to your members. The study explores the health and wellbeing concerns of older adults who spent part of their childhood in

residential or foster care.

The study has been reviewed and approved by the University of Oxford's Ethics Committee. If you would like more details or have any questions, I'd be happy to arrange a phone call or Zoom meeting at your convenience.

Best wishes,
Jono

Travel to and from General Meetings

At the recent AGM, a question was raised by a member about problems in travel arrangements to and from our monthly meeting for those not enjoying independent means of travel. Your committee is endeavouring to discover how many members find this an issue. Could anyone experiencing such problems please reply, in confidence, to Mike Warren, tivertonu3achair@gmail.com? Please specify your location and any special circumstances and what options the Committee could consider.

GROUP REPORTS

Unless they have specifically requested otherwise, group coordinators contact details have been omitted on the newsletter page of the website, as this is a public document. However, they can be found in the “members only” section of the website, which needs a password, already provided to members. - *Nigel*

Always Write
Coordinator:
Heather Bingham

The group meets for 2 hours from 10 am on the 4th Wednesday of the month, in the Lighthouse café in Bampton Street. Next meetings: 28th May 2025 & then 25th June (Please do check for June’s venue).

At May’s meeting we will be sharing our writing ‘homework’ (short story or poem) from a choice of

prompts, examples were: “The note on her front door read: You are going to die” or use the following words in a poem: waves, cliffs, dance, pound, rise. So far, we’ve had a story on: “All four of Reggie’s wives turned up for his funeral” - can’t wait to see others’ contributions after that title!

We looked at ‘plot’ last time and at our May meeting will be using picture prompts for our free writing in the session, following a brief look at ‘setting’ in short story writing.

Two of us went to the ‘3 Faces of Crime’ evening in Crediton. It was so interesting to be able to meet, listen to and ask questions of 3 local writers (although Devon born one of them lives in France now). The chef, Orlando Murrin who has now written his 2nd cosy crime novel was very funny and entertaining. Fascinating to learn about police procedures; amateur sleuthing and pick up tips on cliffhanger chapter endings and giving readers enough clues to solve the crime, but with twists along the way!

Look out for a forthcoming competition we’re hoping to organise for Tiverton U3A members!

- Heather.

Cryptic Crosswords
Coordinator:
Graeme Cozens

Crosswords are often appreciated for their ability to blend logic, language, and a sense of accomplishment, making them both entertaining and enriching. Hence, a puzzler once said:

“Solving a cryptic crossword is like

unlocking a door with a key made of puns.”

And another:

“I don’t need therapy, I just need five across.”

Enjoy this month’s cryptic crossword. It contains an abundance of anagrams, a wealth of wordplay and is, frankly, FUN!

Croquet

Coordinator:
Wendy Bond

20 of the croquet group arrived with enthusiasm to our first session. Sun was shining as a bonus. There are usually 3 lawns set up and all equipment is supplied. We welcome any new members to our croquet lawns, meeting at Heathcoat cricket ground in Tiverton on Tuesday

afternoons from 2- 4.30pm. The cost is £5 per session, payable to Sandra on the day.

There are just a couple of date changes for June; we will meet on **Wednesday 11th and Wednesday 18th** instead of the Tuesdays those weeks, due to cricket fixtures.

Please contact Sandra e.richardson@sky.com or me wendycbond@btinternet.com

- Wendy

Economics

Coordinator:
Mike Barlow

We had an interesting session in May where we reviewed a number of key economic indicators as usual.

Eunice led a good discussion about whether the average pay was better in the Public or Private sector. Despite accurate data being hard to come by it appears that taking into account pay,

bonuses and pension contributions that the Public sector comes out on top. We felt that there were various other factors that would make the private sector more attractive especially for specific groups of people such as recent graduates.

Our next meeting will be at Eunice's house at 10am on Wed 4th June.

Contact mikeandsue.barlow@gmail.com if you'd like to join us.

~ Mike Barlow

Board Games

Coordinator:
Dawn Ferguson

I am offering some taster sessions to see if we have enough interest to run an evening board game group. The next taster session is on Saturday 7th June.

Numbers will be limited to 6 for these first evenings but depending on numbers and

interest this has the potential to be a much bigger group.

The proposal is to get together monthly on a Friday or a Saturday evening, (or possibly a Thursday) arriving from 7pm for a "kick off" with the dice at 7.30pm for a couple of hours. A selection of different board games to be played over time, but focused on one game for the evening, with a run through and then a game. No previous experience necessary just a willingness to join in and have a go. Some games will be played as an individual whilst others

would be in a team. (No Monopoly or Risk as we only have a couple of hours and want to leave as friends). I propose we take turns to host the evening, or hire somewhere small if necessary or preferred. First few sessions in Tiverton. Bring your slippers or style it in socks. Tea and coffee provided. If this sounds like something you would enjoy, please get in touch.

Please register your interest with Dawn and your evening availability/preference.

Gardens

Coordinator:
Margaret Chumbley

At the end of April we visited Hollam House for a private viewing and tour by the owner Annie; a garden designer and Chelsea Gold Medal winner. Over five acres. Thousands of tulips. Beautiful sunny afternoon. Delicious cakes. Comments from members "I enjoyed it so much", "Quite awe inspiring", "Like a film set"

Then at the beginning of May we spent a pleasant afternoon walking around the orchards at Sheppys Cider, Wellington, sharing lots of gardening advice and tips as we wandered around. What members said "Different, enjoyable, lovely". "Special blossom, thousands of trees". "Relaxing orchard stroll", "Friendly interesting company".

- Margaret

German Conversation

Coordinator:
John Smith.

We continue to meet on the first and third Mondays (although the plethora of Bank Holidays in May has played havoc with this arrangement). We have our usual "word, proverb, fact and joke of the week" and talk about our recent activities.

As many of you will know, the Germans have a habit of joining words together and sometimes have a different way of expressing themselves. An example of this was discussed at our last meeting. They have at least four ways of describing a (male) weakling or a wimp. There are Weichei (lit. soft egg), Schattenparker (lit. shadow parker), Warmduscher (lit. warm showerer) and (apologies) Sitzpinkler (lit. sitting to pee). Needless to say, these descriptions did not fit any of us.). - John

Going Places

Visit to the RNLI Training College

Our trip to the RNLI Training College on Tuesday 10th June is now fully booked. However, if you haven't already put your name on the waiting list and would like to go, please get in touch. Providing there is

sufficient interest I may organise a second visit later in the year – *Tony*. lowe.tony@yahoo.co.uk

Combe Martin Silver Mine

We are planning a visit to the Combe Martin Silver mine on August 7th The website for the Silver Mine is www.combemartinmines.co.uk/ Due to health and safety issues, the mine tour will be above ground only. There will be a talk about silver mining in North Devon. This event is free, but a donation to the mine society is encouraged. This trip will be a car share event.

Heritage Days

Additionally, to coincide with the Heritage Days festival we are planning a visit to Arlington Court. This event takes place in September, and will be free. The actual date for this will be announced in June. Arlington court is home to the National carriage collection and is well worth visiting. This trip will be a car share event. Details of dates and times will follow, once the Heritage Days festival programme, has been published - *John*

Local Theatre

Coordinator:
Betty Thrall

The Tiverton Operatic Society next production is "THE WEDDING SINGER" The block booking will be on Thursday September 11th at 7 30 pm in the NEW HALL. More details will be available next month.

21 of us watched the hilarious "Cash on Delivery" by Michael Cooney on May 15th performed by Tiverton Dramatic Society .It was an excellent production with all 10 actors playing their parts

true to character, from Norman Basset the Lodger opening the door to Mr Jenkins the DSS inspector. Deceptive mayhem follows, causing great hilarity in the audience .

The Chairman Richard Burt writes in the programme that their production of Sweeney Todd ,last year, has been nominated for the South West best drama production 2024 by NODA (the National Operatic and Dramatic Association). Already having won the nomination for the District we will find out if we have won the South West as a whole at the end of May .

Photography

Coordinator:
Roger Gunn

As is customary around this time of year, the Photography Group decided to go on an excursion to an outdoor location. This time it was The Quay in Exeter. The weather was fine, a mixture of sun and cloud with a chill in the breeze but ideal for the seven of us to wander, snapping as we went, The Quay and

immediate surrounding area.

After the obligatory coffee and loo stop, we went our separate ways for an hour of photographic freedom. As for the selection and quality of images captured, we will have to wait until the June meeting to determine who gets the Photographer of the Year Award (Exeter Quay category) and who gets the spent flashbulb cube.

Some of us enjoyed the hospitality, food and drink at The Prospect Inn and found it pleasantly matched our needs and expectations.

Fully sated, and after (another) loo stop, with our bus passes waving we clambered aboard a bus to the centre of Exeter and then onto the number 55, a disappointing single decker, which delivered us safely back to Tiverton. - Phil

2 Photography 2

Coordinator:
Charlie Duke

The subject of our last meeting was "odds and ends". Due to last minute hospital appt and first aid course we were a bit depleted in

numbers. However Tony had been on holiday in Cornwall prior to the meeting and in his wanderings had unearthed wonderful stock of unusual items in gardens and on buildings, so we were not short of items to laugh at and discuss.

Our next meeting is called "out and about", looking for those spontaneous attention grabbers. - Charlie

Railway Group

Coordinator:
Jose Kimber

Our last meeting was on 25 April, which I hosted. We watched some more of the British Railways at War series, which was very interesting and shows the pivotal role played by the railways during the Second World War, and also the role played by women in taking over the roles of the men who had gone to fight, doing

everything except actually drive the trains. It is amazing the amount of high quality archive film of the period exists.

Our May meeting is a visit by train to the South Devon Railway and takes place on 16 May, just as this newsletter goes to press so I will report on it next time. The weather forecast promises to be good so it should be an enjoyable visit.

Our planned outing to the East Somerset Railway in June now looks in doubt as a number of group members are not available to go, so our activities for June are in doubt at present, and the June meeting may have to be cancelled. I will notify group members about the details when they are finalised, but if anyone else was thinking of joining us, please contact me for the details.

Our July meeting will take place as usual on **Friday 25 July at 10.30am**, venue to be confirmed.

We still welcome new members to our group, please contact me if you would like to join us.

- Jose

Ramblers

Coordinator:
Jenny Bedford

The May Ramble was a circumnavigation of Clatworthy Reservoir. The walk was led by Jan Proud, who introduced a new member, Ann, and told us that we could expect a scenic stroll, with a few minor undulations. Almost immediately we were faced with a steep climb up through the woods from the dam, which led some of the group to

speculate as to what other undulations were in store for us. However, it turned out to be a fairly undemanding walk, mainly on grassy paths, with lovely views of the reservoir and beyond, with lots of Spring flowers and a few butterflies. No incidents to report - there was no mud, the sun shone and no one fell into the water. On the way back to the car park, we stopped to look at the Scots Pine, planted in memory of long-standing U3A member, John Smith Snr, who sadly died in 2019.. Thanks, Jan, for a very enjoyable ramble. - Nigel

The next Ramble, on **10th June**, will be led by Nigel, starting from the Exeter Inn. The walk will follow the Exe Valley Way, through Bampton and then up the hill on the south side of the town. We will then follow an unmarked path, with lovely views, to reach Higher Bowbierhill and from there downhill, back to the Exeter Inn - where refreshments will be available.

The Exeter Inn is at the junction of the A396 and the B3227 to Bampton. (SS 9551 2096]. Please park in the car park up the ramp on the left side of the pub. The walk is about 5 miles, with one significant uphill climb out of Bampton. 10am start. - *Jenny*

Skittles

Coordinator:
Janet Loader

We had a lovely last night, not at The Proms, but skittles. Our usual games played, we then settled into our buffet. We were sad to say goodbye to John who has been running the Monday night skittles with Janet for many years and wish him well with his move to Sherborne.

We meet again in October. Please contact Janet on 01884 252116 if you would like to learn more. - *Janet Loader*

Snooker

Coordinator:
John Anderson

Our normal meeting dates at Halberton Village Hall are the 1st and 3rd Friday each month. Our start time is 3.30pm.

Conveniently, buses from Tiverton stop at

the door, so you can use your bus-pass to get there. I am a keyholder for opening up, so give me a ring beforehand if you would like to join in and have a game or two. -

Short Tennis

Coordinator
Diane Lewis

The new Short Tennis Group has been active for several weeks now, following on from two taster sessions to assess viability and interest. A small, enthusiastic group of players - some with tennis experience and some without - meet on Fridays from 10 - 11.30 am at Uplowman Hall and we

charge £2.50 to cover Hall hire and refreshments. If more players would like to join us

regularly, we have the option to extend sessions to two hours, so if anyone else is interested in joining us or learning more, please contact Di Lewis on 01884 821329 or 07713 311616.

Short Trek

Coordinator:
Phil Akers

Peter led April's short trek, treating us to an 8.5 mile walk through stunning 'Doone Country'. Nine of us met at Dry Bridge on Brendon Common, above Simonsbath. Immediately on stepping out of our cars, we quickly dug out hats, gloves and jackets against the very brisk wind that was sweeping across the moorland. Within 30 minutes we were walking along sheltered and very beautiful river

valleys. A stark contrast to the exposed tops. It was a very gentle descent until we turned and headed north along Badgworthy Water and through the ancient woodland, whilst the river grew wider alongside us. We spent our lunch stop surrounded by birdsong and babbling waters. We strolled along and climbed out of the valley, back onto the exposed moorland. Time to put those hats and coats on again! Great company and surroundings for a Friday walk. *Phil*

The Short Trek this month is being led by Andrea Bunn. It is on **Friday 23rd** and starts at 10am in Withypool from the car park on the right just over the bridge after the cafe. Here is her description.

We start with a leisurely, steepish climb along the road out of Withypool. This levels out and at Westwater Farm we turn off left and walk to Parsonage Farm taking in the lovely views of Winsford Hill.

At the farm we turn left down to Tarr Steps, an ancient clapper bridge. Here we cross the River Barle and pause for a refreshment break on the grass by the river.

Walking along this eastern bank of the river we come to a footbridge which we cross and continue on the western side. Eventually we arrive at a new bridge and cross back over. This brings us back to Withypool where we walk along the road through the village to the car park.

7.5 miles. Picnic lunch. The Anchor Inn Exbridge has outdoor seating for a debrief.

Phil Akers cannot be there this time. Roger Gunn will deputise in his absence.

Table Tennis

Coordinators:
Katherine Green
Lorne Loxterkamp

The group meets every Monday, except Bank Holidays, from 10am to 12 noon at Sunningmead Community Centre. We have four tables and generally play doubles to ensure that everyone gets as many games as possible. Currently new members are welcome, but spaces are limited. We endeavour to help those with less experience of the game, but unfortunately, we are unable to

accommodate complete beginners.

Anyone interested in joining the group should contact Katherine and Lorne.

Trekking
Coordinator:
Gordon Cleaver

The May Trek

Fourteen Trekkers met at Lee Bay Village Hall in the sunshine to be led on a 10.6 mile country and coast walk by Tony L.

A new member was welcomed and we set off up the pretty Borough Valley and Woods. It was then a hilltop walk via a

couple of shops where the heat of the day necessitated water bottle refilling. A scenic downhill led us to Combesgate Bay where we joined the SW Coast Path. Lunch was taken at the dramatic viewpoint of Morte Point. We then trekked on the ups and downs of the coast path in what was turning out to be a very hot day for May. Our spirits were lifted by some seal spotting in Rockham Bay. Past Bull Point lighthouse and then it was down onto Damage Beach where Tony treated us to a surprise rocky scramble through the cliffs on an "olde smugglers path". It

was the last leg up onto Lee beach and back to the car park and some much-needed cool rehydration at the Grampus Inn.

Thanks to Tony for a scenic, varied and challenging trek, but it certainly was a hot one! –
Gordon

After lunch next to the infant Teign River its up and over Sittaford Tor and then back to the cars and the refreshment opportunities at the Warren House Inn. In all a trek of just under 11 miles with an ascent of approx..1750 feet.

Please let me know if you are planning to come on this Trek or you are interested in joining the Trekking Group, please contact Gordon. - 01884 242563 grcleaver54@gmail.com

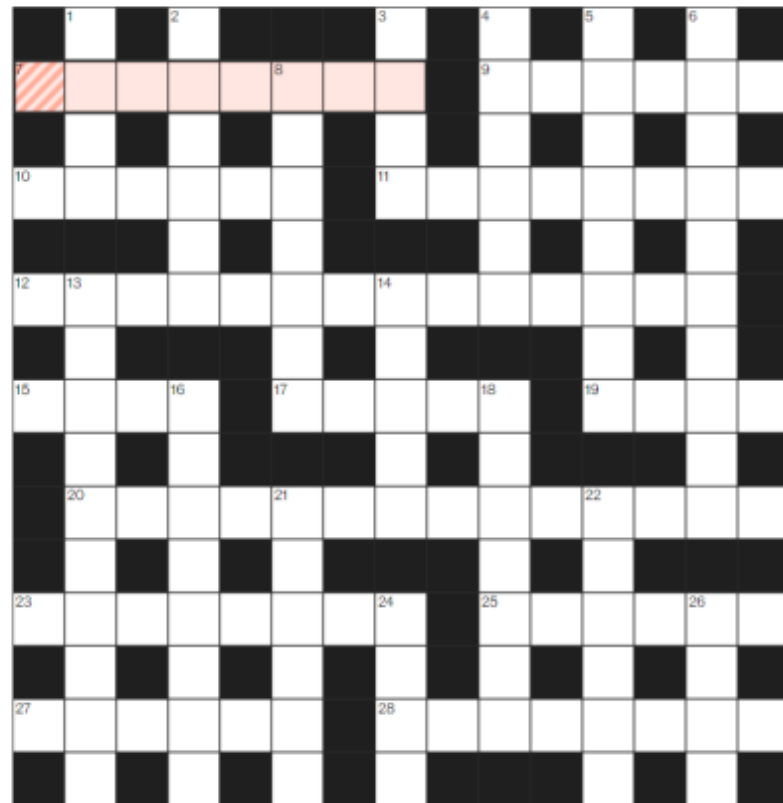

Our visit to the London Inn Morchard Bishop on the 7th of May went down extremely well with all members. The menu was as usual quite extensive, even a variation of choices for the vegan users amongst us. When the food was served most were amazed at the quantity and quality of the dishes individually served together with the terrines on the table.

How good were those lamb chops, what a size !!!!

Our next venture on the 4th of June is at the Black Venus Inn, Challacombe, Exmoor National Park, also a family run business, where from past experience the food will be as good as the London Inn. If you did not put your name down at the London Inn and would like to participate in June please contact me ASAP.
